

CRITICAL SKILLS DIVER

FRAMINGHAM, MASSACHUSETTS

WITH THE D14 DIVE TEAM

MARCH 11 - 12, 2024

WHAT YOU NEED TO KNOW

OBJECTIVE • An intensive in-water training program designed to increase diver competence and confidence. Classroom instruction precedes three pool sessions where divers face increasingly demanding challenges in a carefully controlled and modulated environment developed to help them survive underwater emergencies.

JUSTIFICATION • Public safety divers face many stressful challenges. Without practice and sharp skills, stress may lead to panic resulting in severely negative outcomes. This crucial program helps to inoculate divers against these challenges.

CERTIFICATION • Critical Skills Diver

RECOMMENDED FOR • Anyone who responds to public safety dive events including divers and shore support.

DURATION • 2 Days / 16 hours

TUITION • \$450.00 (US Funds) per student
Includes text book

BE SURE TO BRING • Pen and paper for note-taking and sketching. Diving students must provide their own equipment: Wetsuit or drysuit, scuba regulator: recently serviced and environmentally protected with alternate air source (i.e.: octopus, Air II, etc.), timing device, depth and submersible pressure gauge, BC with oral/power inflator, four tanks with current Hydro & VIP, mask, snorkel, fins, weight belt and two cutting tools (knife, wire cutters, or trauma shears).
