

SUMMER TRAINING SERIES

GREELEY, COLORADO
WITH THE GREELEY FIRE DEPARTMENT

JULY 30 - AUGUST 10, 2024

WHAT YOU NEED TO KNOW

OBJECTIVE • Candidates successfully completing this training series may certify as: Dive Rescue 1 Trainer, Dry Suit Diving Trainer, and Full Face Mask Diver Trainer (DR1T, DSDT, FFMT).

Five training courses, offered in succession, allow candidates to complete the Med Dive prerequisite for subsequent trainer classes. Dry Suit Repair training will also be offered. Any course may be attended individually.

JUSTIFICATION • This series readies candidates to administer Dive Rescue 1, Dry Suit and Full Face Mask Diving training to their own agency personnel for just the cost of student kits. These credentials convey the core principles and skills for a fully operational dive rescue team. Teams with a trainer on staff realize significant cost and logistic benefits including training on their own schedule and the capability to continuously keep their team trained and ready for dive operations. Med Dive and Dry Suit Repair are also offered in the series.
